Mr. GOSS. Mr. Speaker, I wish to announce to all Members of the House that the Permanent Select Committee on Intelligence on Thursday, June 12, 2003, pursuant to its Rules of Procedure, by majority vote, authorized access to any Member of the House who wishes to review certain documents provided to the Permanent Select Committee on Intelligence by the Director of Central Intelligence in response to the letter from the chairman and ranking member to the director dated May 22, 2003.

Specifically, the documents at issue relate to the available intelligence concerning Iraq's weapons of mass destruction program and Iraq's ties to terrorist groups prior to the commencement of hostilities in Iraq.

These documents are available for review by Members only at the offices of the Permanent Select Committee on Intelligence in Room H-405 of the Capitol. The committee office will be open during regular business hours for the convenience of any Member who wishes to review this material.

Members wishing to review these documents must contact the committee's Director of Security, Mr. Bill McFarland, in advance to arrange a time and date for that viewing. This will assure the availability of committee staff to assist Members in their review of these classified materials and manage the flow of activity in an orderly way.

It should be understood by Members that none of the classified material reviewed by Members is authorized to be disclosed publicly.

It is important that Members also keep in mind the requirements of House rule XXIII, clause 13. That rule permits only those Members of the House who have signed the oath set out in clause 13 of House rule XXIII to have access to classified information.

I would advise Members wishing to review these documents that they should bring with them a copy of the
